

Instructions for applying for a Cash-in/out using a code in the internet bank

1. Apply for a cash deposit/withdrawal code in the **Payments / New Payment section of your internet bank:**

2. If you select New Payment, a window will open where you can select **Cash-in/out using a code**

3. Fill in the following fields:

- ◆ ① Select the account number where the Deposit will be made or from which the Withdrawal will be made
- ◆ ② Select the type of transaction – Cash Withdrawal or Cash Deposit;
- ◆ ③ Select the amount of the transaction;
- ◆ ④ Select the purpose of the transaction;
- ◆ ⑤ Enter a 5-digit code of your choice and memorise it;
- ◆ ⑥ Select the delivery method of the part 2 code created by the Bank – display the code on the screen or receive the code by SMS. If you have selected to receive the part 2 code generated by the Bank by SMS, please fill in field ⑦ – indicating your phone number that you will receive when your application is approved;
- ◆ ⑧ Validate your application with your SmartID or a code from the code
- ◆ Go to the nearest **ATM** of your choice.

Please note that the code expires at the end of the day of ordering (23:59)!

The screenshot shows the Luminor online banking interface. The navigation bar includes 'Accounts and cards', 'Payments', 'Loans and leasing', 'Deposits and investments', 'Pension', and 'E-services'. The main content area is titled 'Cash in/out using a code'. On the left, a sidebar lists various payment options, with 'Cash in/out using a code' highlighted. The form fields are as follows:

- ① Account number: LV27RIKO000
- ② Request type: Cash withdrawal (selected from a dropdown menu)
- ③ Amount: 0.00 EUR
- ④ Transaction executor at ATM: JĀNIS BĒRZIŅŠ
- ⑤ The first part of the code (5 digits): [empty field]
- ⑥ Method of receiving the second part of the code: receive in SMS (selected from a dropdown menu)
- ⑦ [empty field for phone number]
- ⑧ Confirm button
